Terms and Conditions

Points can be used to order the awards described in the current brochure or the [CURewards](http://CURewards.com) website. Point requirements assigned to any award are subject to change from time to time without notice, and awards may be discontinued or substituted at any time. Accounts must be open and in good standing (not cancelled or terminated by either party, not delinquent, over limit, or otherwise not available to use for charges) at time of redemption. Awards are not available when a cardholder is in default under the card agreement. The sponsoring credit union reserves the right to suspend the cardholder's participation in the Program if the account is in good standing.

Merchandise will be shipped via a parcel delivery service or by the U.S. Postal Service and should arrive 4-6 weeks after the order is received; otherwise, the Participant will receive an acknowledgement stating the anticipated alternate delivery date, except as noted on items shipped directly from the manufacturer. There will be no charge for standard delivery. Additional shipping cost may apply to deliveries to Puerto Rico, Alaska, and Hawaii. The Participant will be notified of the additional cost. Shipments cannot be made to a post office box or outside the United States. For more details on merchandise shipment limitations, please refer to the merchandise section on the [CURewards](http://CURewards.com) website. No international shipments are permitted. A street address and home phone number are required to accept an order.

A product, which is received damaged or defective, may be returned to the shipper within 10 days of receipt for replacement. All parts, instructions, warranty cards and original packaging materials must be returned with the product. Be sure to note any signing to accept freight shipment delivery from the carrier.

The merchandise offered in this Program may be subject to standard manufacturers' warranties. Warranty claims must be directed to the manufacturer.

Points will be deducted from the total points available for redemption for any returns or credits reflected on the credit card account billing statement. The Participant's credit card account may be charged for the actual cash difference between the cost of the award redeemed and the net value of the actual points available for redemption in the event Participant redeems unearned Points.

Points may be forfeited due to Rules violations.

This Program is void where prohibited or restricted by law. Participant is responsible for any federal, state, or local income or other taxes or gratuities, if applicable.
